IRISH WHISKEY

## Jameson 18 year Old

This is the Master's Blender supreme example of the Jameson tradition of maturing whiskey in Spanish Oloroso sherry casks.

The Master Blender has hand-picked three whiskeys which have been matured in seasoned Oloroso sherry casks for at least 18 years. Then Jameson 18 Years Old is transferred to american bourbon barrels for a further 6 months, to put the final finishing touches to this unique and complex whiskey.

<b>Colour</b>	Rich, Deep golden honey
<b>Nose</b>	Muted sherry notes, aromatic oils, touch of wood, spicy, toffee
<b>Taste</b>	Wonderfully mellow and smooth, complex flavours of fudge & toffee spice, hints of wood & leather, gentle sherry nuttiness and vanilla
<b>Finish</b>	Lingering, carrying notes of wood, spice & toffee to the very end.
